Business standards and access to European and global markets post-Brexit

An opportunity to discuss with BSI, the National Standards Body,
the role of standards in supporting UK business and industry post-Brexit

Thursday 24 November 2016 **11:00 – 16:30**

Gathering industry leaders, trade associations, government officials, consumer representatives
and other stakeholders, participants will discuss the role of business and industry standards
post-Brexit in enabling market access and trade across Europe and globally.
